

# Moses' Faith Journey

Self-Study Based on Sunday, April 28, 2018

**Read Exodus 3:1-4.** A burning bush caused Moses to be curious and ultimately to have an encounter with God. How is God using circumstances (maybe even strange or unexpected ones) to draw you closer to him?

---

---

---

---

**Read Exodus 3:5-6.** Moses realized how big and awesome God was. The Bible sometimes talks about our need to fear God. Fearing God is not about living in terror of him, but about respecting him deeply. Do you fear God or have you grown too familiar in your relationship with him?

---

---

---

---

**Read Exodus 3:7-10.** God will give us assignments when we respectfully draw near to him. Has God spoken to you about your next steps? What is he calling you to do?

---

---

---

---

**Read Exodus 3:11-12.** Moses felt unsure about his mission, but God responded that he would never leave him, and that a day was coming when the mission would be accomplished. What promise are you holding onto and how is God helping you to remain committed to seeing it through?

**Close in Prayer.** God is saying to you today "I AM whatever you need." Call out to him with great faith. He's sure to complete a good work in you.
