## Conditions of Approval and Medical Release

I hereby release The Father's House Christian Fellowship (TFH), their staff members, and/or youth mentors from any loss, injury, or death that I/my child suffer(s). If I/my child have/has medical conditions that may be relevant to a physician in the event of an emergency, I have listed them below. In the event that I/my child am/is injured while under the care of TFH and its representatives and am/is in need of a doctor's attention, I hereby authorize, consent to, and will be responsible for any reasonable medical treatment as deemed necessary by a licensed physician. I further agree to hold the licensed physician, the medical facility, TFH, and its representatives free of any claims, demands, or suits for damages arising from the authorization and provision of such medical treatment. I do hereby release TFH and its representatives from any liability, agreeing to personally assume all risks (liability due to accident or injury incurred by myself/my child or property which I/my child now have/has or which may arise in the future in connection with TFH events or participation in any other associated activities) which may be encountered between September 1st 2018 and September 30th 2019. I further state that I have carefully read the foregoing release and know the contents thereof and I sign this release as my own free act. This is a legally binding agreement that I have read and fully understand. Staff and youth mentors will take every possible safety precaution, and make every possible attempt to contact parents or guardians immediately in the event of injury or other emergency.

The signature of the parent or guardian on this form shall authorize The Father's House Church to publish photographs taken of any individuals listed above for the use in The Father's House Church print, online and video based materials, as well as other publications for the group.

I have read and agree with the release form
